

Introducing 'The Acacia', built on either Mercedes Benz Sprinter or Volkswagen Crafter body

With the unmatched style, features, quality and value built in to every Horizon Motor Home.

The Horizon design team and craftsmen have yet again created a superb RV.

The Acacia has achieved the ideal layout for 2 people enjoying an extended holiday with the capability of extra sleep overs by sleepy friends or excited grand children.

The Acacia's permanently made double bed across the rear has unbelievable storage areas accessible from the rear and inside. With the driver, passenger seats and dining table swivelling into position the intimate dining scene easily transforms to a ¾ bed. The Acacia also features a large galley with more than ample bench space, plenty of drawers even extra deep saucepan drawers. The bathroom is fully laminated with the sensibility of a 'no chemicals required' vacuum flush toilet.

The Acacia's list of standard features is impressive: The confidence of a powerhouse 200amp battery. The convenience of a Fiamma wind out awning. The clarity from a Winegard external antenna. The ease of double glazed hopper windows with total blackout curtains at your fingertip.

The installation of quality halogen lighting and use of highest quality lightweight waterproof ply in all cupboards.

Horizon Motor Homes can also supply many options to make your touring holidays even more enjoyable.

Whether you choose Mercedes Benz Sprinter or Volkswagen Crafter, your new Horizon Acacia will give you the benefits of: Smooth ride and safety features of a touring car with ABS brakes, Traction Control and ESP.

Power and dependability of European designed turbo diesel engines together with automatic transmission power mirrors, power windows, remote central locking, airconditioning, driver airbag and much more.
